

AF4: ATTENDANCE TO RESEARCH SEMINARS.

Number of hours: 20

<u>Description</u>: The number of hours is indicative. It is recommended the attendance to one seminar per semester, given at the student's university. This recommendation is applicable to both, full-time and part-time students. For part-time students, dates and schedules limitations will be taken into consideration.

These activities serve to develop the competencies CB11, CB15, CA05 y CE02

<u>Adaptation procedure</u>: Doctorate's tutor will include in the Doctorate Document of Activities all data concerning the attendance to seminars. This report will be sent to the CAD, who will include it in the Doctorate Register of Activities.

No attendance certification is needed, only the signature of the tutor or director on the report is required. For this activity only the attendance to the seminar will be evaluated. Thus, only the number of seminars where the student has attended is evaluated.

<u>Mobility Actions</u>: This activity, since it consists on local seminars, does not imply mobility.
